SOSTRAVEL APP

THE IDEA
Offer all solutions to travelers' needs.

MISSION AND VALUES

The company mission is to overcome the highly fragmented air passenger services market by offering a single **integrated digital platform** able to assist the traveler throughout his entire journey, providing assistance with **multiple services before, during and after** his trip.

sostravel app provides passengers with access to full travel booking experience, purchase of all available services in example ticket, hotel, rent a car, travel insurance, assistance and helpful information in a clear, simple and complete way for a pleasant journey.

The Problems.

TOO MANY APPS AND WEBSITES

There is **an app** for **every single travel** query or you need to surf on the **web** for any **question** you may have.

DIFFERENT INFO

The same information can be communicated differently, in different parts of the world. Services and policies are not the same and vary depending on the destination, vectors, etc...

MOBILITY

It's hard to find your way around when you arrive in a different place.

ACCESS TO SERVICE

Where the traveler can access the services he needs?
When?
How?

STRESS

Long waiting times, unforeseen events, schedule changes, illness, etc.
